

# Sheffield – Meadow Hall Approach

## Static Content

312 (w)

Pixel Size is

312 (w) x 504 (h)

RGB Format :Jpeg

In Photoshop, when creating your artwork at the correct pixel size DO NOT edit the resolution (pixels/inch) afterwards as this will increase the pixel size. The pixel size must be maintained.

If you edit the resolution (pixels per inch) field and therefore change the pixel size the file will be unusable and subject to resupply at the correct pixel size.

Please email the jpeg to [Veronica@cityoutdoormedia.com](mailto:Veronica@cityoutdoormedia.com)

Copy must be labelled with the **CAMPAIGN NAME, SCREEN NAME & START DATE** and delivered **5** working days before the start date of the campaign.

Copy change will be actioned as soon as possible but may take up to 24hours

If you have any queries please email or call Veronica on 0797 007 2910
