In Photoshop, when creating your artwork at the correct pixel size DO NOT edit the resolution (pixels/inch) afterwards as this will increase the pixel size. The pixel size must be maintained.

If you edit the resolution (pixels per inch) field and therefore change the pixel size the file will be unusable and subject to resupply at the correct pixel size.

Please email the jpegs to Veronica@cityoutdoormedia.com

Copy must be clearly labelled with the **Campaign Name, Screen Name & Start Date** & be delivered 5 working days before the ‘live’ date of the campaign.

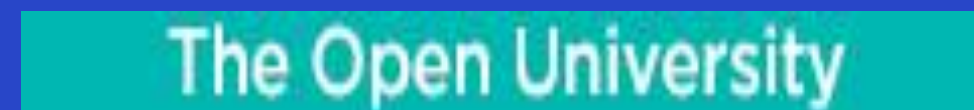

Changes to copy will be actioned as soon as possible but may take up to 24 hours.
